CEDAR CITY, UTAH – The Cave Fire has reached 50% containment and full containment is expected for tomorrow.

Firefighters worked throughout the day on interior hotspots and reinforcing the perimeter.
Several engines and crews will be back again tomorrow.

Interagency resources from the Forest Service, BLM, BIA and State of Utah include: 25 engines, 2 water tenders, and 9 hand crews.

The Buckskin fire is burning 20 miles east of Kanab, Utah and has reached approximately 200 acres, and is burning in pinion, junipers and logging slash. This fire was ignited at 3:15 this afternoon, the cause is under investigation.

Suppression resources include: Smokejumpers, 2 heavy air tankers, 3 hand-crews, and numerous fire engines.

Containment for this fire is unknown.

The Cougar Fire is burning in the Pine Valley area which is near Milford, Utah. This fire is expected to be contained this evening.
